Hope Valley literature, a 'live' fringe event.

The inaugural 'Hope Valley Literature Fringe' is an exploration and celebration of our local interest in literature - prose, poetry, multi-media, blogs and other artistic expressions of the written word.

The 2018 theme is 'Our Relationship with Earth'. This theme is only a guide, a focus for your interest, a steer for you to express your way of looking at the many varied, often complex and different relationships we have with Earth.

We are inviting you to present literature in any one of the four fringe zones [below]. All submissions will be judged upon point of view, quality, originality and artistry. Prizes will be awarded at a concluding event held between 6.30pm and 9.30pm at the Outside Café in Hathersage. (what3words ref: indicate.furniture.spinning).

The Fringe Zones

Spaces are broken down into the four areas shown above.

To take part... To exhibit, perform or present your ideas or products on the day send an email to Kevin at info@hopevalleyfringe.co.uk

Everybody is welcome.

Whether you are a small business, an artisan, an academic or an enthusiastic individual you can become part of the fringe.

Simply go to www.hopevalleyfringe.co.uk register for your free blog, then fill in the form outlining your idea and we'll be in touch. Thank you.
